

Existing 1140 hour users

Thank you to the parents and carers who responded.

- 97% of you said you can access the hours and provision you want
- You told us the main reasons for using an Early Learning and Childcare provider were that the service was close to home, it is located at the school that you wished your child to attend and that the service offered a quality experience for your child.

FEEDBACK

You told us:

“It provides flexible hours and pick up and drop off”

“high quality conversations and interactions”

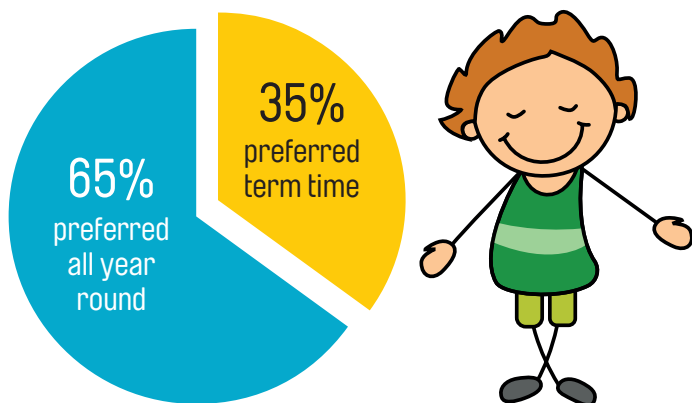

“Caring service with a genuine interest in each and every child”

“My child is exposed to many positive and varied learning life experiences”

“provides a nurturing environment”

“I love how much time my son gets to play outdoors with open ended play and natural resources”

We asked if you would you prefer your provision term time only or all year round

92% of your children take advantage of a free lunch and are happy with the lunch provided

You told us:

“It’s a very well-balanced menu”

“Plenty of choice and gets child to try new things they wouldn't try at home”

“Good options, nutritious and child happy to eat them”

“I also get the option of my child taking a packed lunch”
